

STEP 6: Informing and Involving the Wider Community

Students of the eco committee usually organize eco assemblies to distribute the eco awareness through the whole school. The following picture shows Asma and Shereen in their lecture about the 7 steps towards the green flag.

2. As a part of our vision and mission towards being an eco-school and as we believe that cleaning up the world is every body's responsibility, GIC participated in cleaning up Al Sufouh Beach on **27th October 2011 from 9:00 AM to 12:00PM** along with other governmental and private schools. This big event is sponsored by Dubai Municipality.

3. The following pictures show Mia and Reem from grade 6 A passing by all the girl's section classes to spread the idea of the eco library and how they can use it. And also they stopped by Ms. Lina's office and the administration to explain the new eco library in the school.

4. Three students of grade 7 A participated in the Turtle competition by the HSBC and the WWF- Feb. 2012.

Zohreh – Zahrah and Dayana

5. Students of grade 12 prepared a ceremony to thank Dubai and Al Futtaim for building the eco garden of Greenwood international school. The pictures below show the students with their gift for Al Futtam and Dubai.
